From the Director

Denton Record Chronicle 12/07/09

The University of North Texas has announced the purchase of a large building at 490 S. Interstate 35E, according to university officials. While “no final decisions have been made”, President Bataille says discussions are focusing on possible use of the space to include the Child Development Laboratory and a new autism center. No time line has been given. Gia, Eli, Sammy, and Arianna are shown in the photo that accompanies the newspaper article.

LOOKING AHEAD:

Please Sign Your Child In And Out Every Day!

Holiday Sing-along in the Union on Thursday, December 10th!

The CDL children will perform in the One O’clock Lounge in the Union this Thursday. All children should be at school by 11:30 a.m. to walk over to the Union. Parents are welcome to walk with us, or meet us there. Please bring Grandmas and Grandpas and other relatives and friends, and don’t forget your video cameras! Further details will be posted on your child’s cubby. This is our special holiday gift to you and your family.

First payments for the Spring Semester are due on Friday, December 11th.
Ms. Brumett’s Plans

Caitlin Brumett, the afternoon teacher in the classroom for older children, will be leaving us after the end of this semester. She will begin a doctorate program at the University of Dallas and has been offered a teaching position there. Ms. Brumett will be very much missed by the children and the CDL team. Our best wishes go with you, Ms. Brumett.

The Very Happiest of Holidays to All of You!
