From the Director

UNT Internal Audit of CDL
The Internal Audit department of UNT has just completed an audit of our program that included both financial practices and any other areas related to liability and safety. We have been reminded that all university fees must be paid on time, and we will be making sure this policy is being carried out. Please help us stay in compliance by making sure fees are paid by due dates.

Reminder!
Anyone leaving a car parked in the roadway in front of the CDL will be receiving a ticket. Please allow extra time in your schedule for drop off and pick up. Again, we thank you for your patience and kindness to each other in this difficult situation.

“Trike for Japan” Trike-A-Thon
Children at the Child Development Laboratory will participate along with other preschool children in the community in a trikethon event taking place on our playground next week. Teachers will explain the event to children and those who want to can participate. Families and friends may make donations in a child’s name and numbers of laps will be recorded during outside play time. If your family is interested in participating in this event, please use the pledge sheet attached to this newsletter.

LOOKING AHEAD
May 14 – June 5  Semester Break
April 15  Last Spring Payment
May 6  First Summer Payment
June 6  Begin Summer Term
The children in the older classroom attended several small plays put on by university students in a theatre class on April 6. Students picked stories from books the children knew.
Annual Spring Family Picnic Held at McKenna Park

Families and staff enjoyed a very windy picnic on April 15 at 5:30 p.m. The story of The Three Bears was performed by teachers, who held on to their props for dear life! The kids didn't seem to mind the weather at all.
